Dear members,

After 34 years of dedicated and valuable service, Janice Austin has retired from our Board of Directors as of May. Her contributions to the credit union have made a lasting impact that both the members and employees will see for years to come. We are sad to see her go but are happy that she can spend more time doing the things she loves. Jan loves spending time with her granddaughter Michaela and playing golf. She is great with animals and currently has a new puppy that keeps her super busy. Jan will continue to be a member and we look forward to seeing her catch up with you in the lobby.

We are glad so many of you could join us this year at our Membership Appreciation Day event. The entire event was filled with many memories, laughter, and amazing hotdogs!

Join our efforts this year as we partner with Charitable Union to support our community with our annual winter coat drive. We ask for donations of gently used or new winter coats and clothing to keep our community warm this winter.

Stop in for light refreshments to celebrate International Credit Union Day on Thursday, October 17, 2024. International Credit Union Day (ICU Day) celebrates the spirit of the global credit union movement. The day is recognized to reflect upon the credit union movement's history, promote its achievements, recognize hard work and share member experiences. International Credit Union (ICU) Day has been celebrated on the third Thursday of October since 1948.

As you begin to make travel plans this fall, we ask that you give us a call so that we can put a travel notification on your account to avoid any issues with your debit or credit cards. If you are preparing to head south, we ask that you update your alternate address so that you can avoid any statement delays. Another great alternative is to sign up for e-statements. See the back page for more details!

Thank you for your membership at the credit union where everyone knows your name.

Thank you for your membership,

LuAnn Schott
CEO
